# SOIL MANAGEMENT *Worksheet*

ALBERTA BEEF, FORAGE & GRAZING CENTRE

Field Name / Legal Land Location: _____ Date: _____

Forage Species Present: _____

## PASTURE MAP

*Include soil concerns, topography features, changes in forage species, fencelines, riparian areas, etc.*

## SOIL TEST RESULTS

W:

P:

K:

S:

pH:

OM%:

## SOIL MANAGEMENT CONCERN

- ☐ Erosion
- ☐ Low pH *(acidic)*
- ☐ High pH *(alkaline)*
- ☐ Salinity
- ☐ Compaction
- ☐ Other: _____

Is remediation a viable solution? **Y** ☐ **N** ☐

If **YES**, what is your strategy?
*(e.g. restrict grazing)*

If **NO**, what is your adaptation strategy?
*(e.g. change forage species composition)*

## IMPLEMENTATION NOTES *(Include necessary resources, proposed date of implementation, etc.)*
